Subject: NAUM - NECR - Rio Algom - Documents to inform our discussions tomorrow - 10 am and Noon PDT

Tony and Luke, Hi! Attached please find some sample documents that may be helpful to our discussion tomorrow. I understand that we will use the conference number your provided at both 10 am and noon PDT. Our project manager Andy, will join us only at noon. Please let me know who will be participating in the call on behalf of Rio Algom. Also, please let me know if you have any questions prior to the call. Thank you! Laurie (415) 972-3867

Kerr-McGee Nuclear/Quivira

Response to Region IX by Pam Gates seems to indicate she was unaware of operations at the Church Rock Sites, including accepting assignment of the leases.

Rio_Quivira_K-M...

merger with Quivira 2001.

These documents, provided by Pam, clarify the dates of corporate formation/merger. Kerr-McGee Nuclear formed 1973; Name change to Quivira 1983, Rio Algom

Quivira_Lease_A...

1983 by Quivira.

Copy of one of the three lease assignments, showing acceptance of the lease on Oct. 5,

Copy of termination of the three leases on April 1, 1987. Quivira correspondence from 1985 (sorry this should have been in the group

below), shows operations at

the site by Quivira
